

## Ohio Revised Code

### Section 4926.51 Burden of proof regarding incremental cost claim.

Effective: May 17, 2021

Legislation: House Bill 2 - 134th General Assembly

---

In a complaint filed under section 4926.39 of the Revised Code, if an electric cooperative claims that the proposed rate is lower than its incremental costs, the cooperative has the burden of establishing, by a preponderance of the evidence, its incremental costs.
